"Facts do not cease to exist because they are ignored."

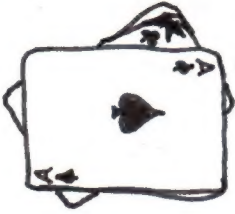

-Aldous
Huxley

(Seems obvious when you think about it)

It's a holdover from the French Revolution symbolizing commerce above royalty.

Why is an ace often higher ranking than a king?

OPERATION: UNTHINKABLE

At the close of WWII, Winston Churchill developed a plan to immediately rearm Germany and join up with German troops to attack the USSR.

It was never used.

You can fix a stripped screw hole in wood by coating toothpicks in wood glue

and jamming
them in.

(Folded paper
and dowels,
works too)

Screws will
then bite
again.

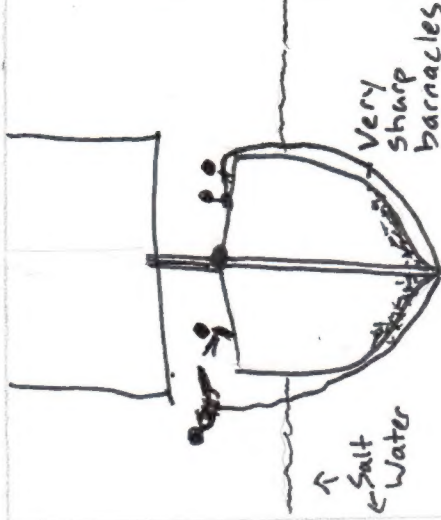

again. ~~again~~

Littlewood's Law of Miracles

Statistically, the sheer number of events that you take place in every single

day means that "miracles with odds of one in a million or more

happen a little under
once a month to us -
we just don't know
about them.

"Keelhauling" involved dragging someone under a ship with a rope - excruciating, and often fatal.
